Mathematics Teacher

**(Part-time, 3 days a week – Monday, Wednesday and Thursday)
(Maternity cover from November 2019 to June 2020)**

This is a superb opportunity for someone with flair, enthusiasm and commitment to be part of our dynamic and forward-thinking school during a period of maternity cover.

We wish to appoint an inspirational teacher of Mathematics with the skills to teach up to Key Stage 5. The ideal candidate will be someone who can communicate their passion for Mathematics to their pupils. A willingness to establish a range of extra-curricular opportunities, reflecting the personal interests of the successful candidate, is greatly encouraged.

You will be joining a team of innovative and highly motivated teachers who constantly strive to provide the finest education and ever-expanding opportunities to get the very best out of our pupils, while fostering a love of learning through delivery of high quality, exciting and active lessons.

The Mathematics Department has enjoyed strong iGCSE results recently, achieving 98% 9-4 in June 2019. Our top set enter for the AQA Level 2 certificate in Further Mathematics. We compete in the UKMT Maths Challenges and have a thriving extra-curricular programme designed to bring Mathematics to life and promote a real love of the subject. We have a strong uptake at A Level, including Further Maths, with our top pupils applying to Oxbridge, and most A Level mathematicians taking their mathematical studies further.

Radnor House is a 9-18, selective, co-educational, independent day school set in historic buildings on the banks of the Thames in Twickenham, just thirty minutes from Central London. The relatively small size of Radnor House enables us to focus on the individual needs of all of our pupils. This fosters a supportive and collaborative community where success is regularly celebrated.

We offer a competitive salary, with extensive opportunities for CPD and career development, alongside a clear recognition of staff wellbeing.

This post is suitable for newly qualified and experienced teachers alike. For further information, to download an application form, or to watch our video to give you a flavour of our school, please visit our website:

<http://www.radnor-twickenham.org/about/>

<http://www.radnor-twickenham.org/about/working-at-radnor-house/current-vacancies/>

Completed application form and cover letter should be returned to LTottem@radnorhouse.org by midday on 7th October 2019.

Radnor House is an Equal Opportunities employer, committed to safeguarding and promoting the welfare of children. Screening, including an Enhanced DBS check, is routinely carried out on successful applicants. Our Safer Recruitment Policy can be downloaded from the 'Employment Opportunities' page of our website.
