## **Full-Time, Maternity Cover, Teacher of Chemistry**

**This is a superb opportunity for someone with flair, energy and commitment to join our dynamic, forward-thinking and expanding school.**

For January 2023, to cover maternity leave, we wish to appoint a full-time Teacher of Chemistry who has the proven ability to teach up to A Level. The ideal candidate will also be able to teach KS3 and KS4 biology and physics, and be someone whose enthusiasm for, and love of, science will permeate the whole school

The successful candidate will join a team of innovative and highly motivated teachers who constantly strive to provide the finest education and ever-expanding opportunities to get the very best out of our pupils, while fostering a love of learning through delivery of high quality, exciting and active lessons.

Radnor House is a 9-18, selective, co-educational, independent day school set in historic buildings on the banks of the River Thames in Twickenham, just thirty minutes from Central London. It was judged as 'Excellent' in all categories by the Independent Schools Inspectorate in February 2020. The relatively small size of the school (c.440 pupils) enables us to focus on the individual needs of all our pupils, fostering a supportive and collaborative community where pupil success is regularly celebrated.

We offer a highly competitive salary, with extensive opportunities for CPD and career development, alongside a clear recognition of staff wellbeing.

For further information and to download an application form, please visit our website:  
<http://www.radnor-twickenham.org/about/>

A completed application form and cover letter should be returned to [hr@radnorhouse.org](mailto:hr@radnorhouse.org) by midday on Monday 29<sup>th</sup> August 2022 with a view to interviews being held during the first two weeks of September.
