## **Teacher of Art and Photography required for November 2021 Fixed Term – Maternity Cover**

**This is a superb opportunity for someone with flair and enthusiasm to be part of our dynamic and forward-thinking school. The successful candidate will have a passion for their subject and the ability to inspire, enthuse and engage pupils.**

Radnor House seeks to appoint an inspirational and outstanding teacher of Art and Photography to join a flourishing department. Working in a supportive and welcoming environment, you will motivate and inspire pupils throughout the school, up to and including A Level. Applicants with a background in photography and working with clay are especially welcomed. You will also make a significant contribution to the department's future development, working closely with the Head of Department and other colleagues to ensure the continuation of an outstanding subject provision both inside and outside the classroom.

You will be joining a team of innovative and highly motivated teachers who constantly strive to provide the finest education and ever-expanding opportunities. It is this passion that enables us to get the very best out of our pupils while fostering a love of learning through the delivery of high quality, exciting and active lessons.

Radnor House is a 9-18, selective, co-educational, independent day school set in historic buildings on the banks of the River Thames in Twickenham, just thirty minutes from Central London. It was judged as 'Excellent' in all categories by the Independent Schools Inspectorate in February 2020. The relatively small size of the school (c.440 pupils) enables us to focus on the individual needs of all of our pupils, fostering a supportive and collaborative community where pupil success is regularly celebrated.

We offer a competitive salary, with extensive opportunities for CPD and career development. For further information, to download an application, or to watch our video to give you a flavour of working at our school, please visit our website:
