

## SUPPLEMENTARY CHARGES

Fees at Radnor House cover standard tuition costs across the curriculum and all exercise books and text books used for the delivery of the main curriculum provided by the school. The fees also include the majority of co-curricular activities provided at Radnor House unless additional costs are incurred.

### **Lunch**

Our caterer, a specialist in Independent schools, provides a nutritional and healthy two course lunch during the school day. Lunches, taken in the Riverside Bistro offer students a choice of meals including a hot meal with the option to eat from the salad bar. Vegetarian options are also available and special dietary requirements can be catered for. Menus are displayed on our website [www.radnor-twickenham.org](http://www.radnor-twickenham.org). The cost for lunch is £270 per term in the Prep School and £300 per term in the Secondary School. Bistro fees will be added to each term's fees. Communal lunch is a key element of the school day at Radnor House and the school does not provide facilities for packed lunches.

### **Trips**

School trips at Radnor House are an integral component of our academic curriculum and are an effective tool used to consolidate our students' learning experience. Each department offers a wide variety of day trips to support classroom learning, as well as residential and overseas trips to extend subject matter knowledge for GCSE and A Level. Payment for trips needs to be settled by the deadlines specified by trip leaders. Deposits are non-refundable. If full payment has not been received prior to the trip date, your child may not be authorised to attend but you will still be liable for any costs incurred by the school.

### **Enhanced Individual Learning Support**

If required, Radnor House can provide additional specialist support on an agreed basis for which there is an hourly charge of £35.

### **Transport**

Radnor House operates a range of transport options for students. The school is fortunate to be on two excellent bus routes, the 33 and R68 and is served by two mainline rail stations, Twickenham and Strawberry Hill. Radnor House also operates private minibus collection from across London and specific routes will depend on where students live. Radnor House subsidises these buses and the cost for transport is £500 per term.

### **Music Instrumental Tuition**

Radnor House offers instrumental tuition on a range of musical instruments during the school day. Tuition is delivered by freelance instrumental tutors approved by the school and accommodation is made available in the music school free of charge to all visiting tutors. Costs per lesson vary dependent on whether lessons are group or individual and on the instrument involved. Instrumental tutors will invoice parents direct for the costs of such tuition.

### **Co-Curricular Activities**

Radnor House views a wide range of co-curricular activities as a fundamental part of the overall education offered at the school. Co-curricular activities incur no additional charge unless they are specialist in nature and the school incurs additional costs such as hiring accommodation or employing expert specialist tuition.

### **Personal Accident Insurance**

Like all Independent schools, Radnor House has comprehensive operational insurance. Parents are asked to ensure that valuables such as musical instruments are included in their household policy. Parents wishing to take out additional personal accident insurance are welcome to contact the school for further information.

**External Examination costs**

All public examination charges and associated external invigilation costs, including those for ELC, GCSE, iGCSE, Level 2 and Extended Project, AS and A Level examinations will be recharged at cost to parents and invoiced along with the appropriate termly fees

**Pupils requiring English as an Additional Language**

A pupil is considered to have English as an additional language (EAL) if the first language they learned at home was a language other than English. Pupils with EAL will have their lessons differentiated in order to support them in accessing the curriculum. If a pupil does require some extra 1:1 support due to them having EAL, Radnor House has a link with an external specialist tutor who is able to work with the pupil either within or outside of school. As this is a freelance EAL specialist tutor, they do charge parents for their lessons privately.
