

EMMA BESWETHERICK

Tuesday 10th November 2020

Today, Emma Beswetherick, author of the Playdate Adventure series, beamed into the Year 5 classroom, via Teams, to lead a session about how to go about writing a book. She read a chapter to us from her latest book, *The North Pole Picnic*, and answered our questions such as how long does it take to write a book and where do you get your ideas from? We spent some time planning our own ideas for a playdate adventure. Emma was soooooo impressed with all our ideas. We are looking forward to turning our ideas into our own stories over the next few weeks.
